TOILET HYGEINE

We are hoping to get funding for a toilet refurbishment this year. It would be really good if before then all children (especially boys!) could learn to use the toilet in a neat and tidy manner. Please encourage children at home to leave a toilet as they would wish to find it and make sure any accidents are reported so that they can be cleaned up immediately. The toilets in school are smelling of urine because the floor is impregnated and even bleach cannot restore a pleasant smell for long. Paper towels and toilet paper are also continually being left on the floor rather than being properly disposed of and toilets are not flushed. It all leads to a very unpleasant environment. Please can you help us to encourage good toilet habits, where we think of other people.
Thank you!

WOW!

What a Curriculum!

An amazing array of learning opportunities have been experienced by pupils over the last two weeks.

Imran Kotwal from the Muslim Learner services led a whole school assembly, sharing with children key features of Islam faith and then led workshops in Year 4.

Year 5 children have been to Hodgson and Baines for Science week experiences.

Selected pupils have been to the Seaside's Art exhibition

World Book Day was exciting with everyone dressing as their favourite book character, the wooden spoon competition was well supported and we even had a 'drop everything and read' bell rung throughout the day. School was very quiet for 10 minutes!

There have been various sports events: multiskills festival, football competitions, Healthy Heads, striking skills, playground games, fundamental moving skills with Fleetwood Town.

There have been trips to Ribchester Museum (Y3) and Lazer Quest (Y5)

RNLI have visited Turtles

Clubs have included chess, netball, football, board games, yoga,
