

Spring Term Home Learning Menu

Mathematics

(You must complete this activity)

Times Table Practice, either via TTRockstars or on a piece of paper brought into school.

Activelearn activities will be regularly set, these will be linked to our current PowerMaths topic.

English – Writing, GPS or Spelling

(You must complete this activity)

Rainbow Spellings: These are to be brought in at least once every two weeks to test.

OPTIONAL: Write a follow-up to your Fantasy story from last term.

OPTIONAL: Create a home listing to sell a Norman Castle, see if you can make use of some persuasive devices.

English – Reading

(You must complete this activity)

Regular reading of your ZPD book at home, ready to test in school.

OPTIONAL: Visit a library and pick out a book that you are interested in.

OPTIONAL: Recommend a book to a friend.

ART/DT

Create a picture or collage depicting the Battle of Hastings.

Create your personal Bayeux Tapestry, showing your journey through school.

Create your own Norman kite shield or 3D model of a Norman Castle using recycled materials from around the house!

French

Learn a song in French.

See if you can have a short conversation with a friend using what you've learnt in our lessons.

Science

See if you can explain to a parent how sound travels through the air.

Think of ways we can show that sound travels, can you create a model to display it?

History/Geography

Create a Newspaper report covering the Battle of Stamford Bridge.

Research Motte and Bailey castles, create your own fact sheet to show what you've learnt.

Research each of the four Norman kings of England, make a profile on your favourite and present it to the class.

R.E

Learn about one of the miracles performed by Jesus and share it with a member of the class.

Take part in a volunteering opportunity or charity event.

- You must **complete all the core activities** above (Mathematics, English and Reading)
- Select a **minimum of two** topic activities to complete. You can choose which activities you find the most interesting.
- **Presentation must be your best!**
- **Email with photos or bring in to show class**
