

**POULTON ST CHAD'S**  
CHURCH OF ENGLAND PRIMARY SCHOOL

Dear Parents/Carers,

I hope this letter finds you well. I am writing to inform you about an exciting opportunity for our Year 5 students to participate in a class trip to Eco Town at Lancashire Renewables. This educational experience is designed to enhance the children's understanding of environmental issues as they explore thirteen different streets focusing on 'Materials, Mechanical, and Biological processes'.

During the trip, the children will have the chance to see firsthand how we sort waste for recycling and learn about the transformation of waste into renewable energy. This hands-on experience promises to be both enjoyable and educational for the children. **The cost of the trip is £12.50 per child**, which also includes transport for the day.

The trip is scheduled for **Monday, 9th March**. On this day, we kindly ask that the children arrive at school earlier than usual, with **the Year 5 doors opening at 8:30 am**. Either myself or Mrs. Stanley will be available at the door to answer any last-minute questions. **The coach will depart from school at 8:45 am**, so it is crucial that all children are in school before this time. For those who usually attend Breakfast Club, this will continue as normal, and Mr. McKay will escort the children down a few minutes earlier than usual.

We anticipate leaving Eco Town at 2:30 pm, aiming to return to school by approximately 3:10 pm. In the event of traffic delays, we will send an app message to keep you updated.

Your child should bring a packed lunch on the day. If providing a packed lunch will be difficult then please contact me privately on the school email provided below. Should you have any questions or require further clarification, please do not hesitate to reach out to me via email at: [Mrblackburn@poultonstchadsce.lancs.sch.uk](mailto:Mrblackburn@poultonstchadsce.lancs.sch.uk)

Thank you for your continued support.

Mr Blackburn
