

Summer 1 Home Learning Menu

Mathematics

(You must complete this activity)

- Counting on and counting backwards (playing board games using dice, can really help with this).
- Confidently count to 20.
- Doubling numbers (use items from around the house such as dice, or dominoes and use these to help the children to find their doubles).

Write in your diary each week to show you have completed this activity.

English – Writing, GPS or Spelling

(You must complete this activity)

- Write their own name independently.
- Spell CVC words and some CVVC words such as cat, mat, dog, boat, chair, cure etc.
- Write sentences about what you have done over the weekends.

English – Reading

(You must complete this activity)

- Read 3 times a week at least
- Optional- Visit a library and read to an adult.
- Optional- Write about your favourite books.

ART/DT

- Create a picture of your favourite Minibeast.

History/Geography

- Describe what schools used to look like in the past.
- Where in the World do different Minibeasts come from?

- You must **complete all the core activities** above (Mathematics, English and Reading)
- Select a **minimum of two** topic activities to complete. You can choose which activities you find the most interesting.
- **Presentation must be your best!**
- **Email Mrsarcher@poultonstchadsce.lancs.sch.uk with photos or bring in to show class**
Final hand-in date: Wednesday 20th May

Science

- Write an information book on Minibeasts you find around the garden.

R.E

- Create a friendship bracelet to give one of your friends.
