

# Summer Term Home Learning Menu

## Mathematics

(You must complete this activity)

Weekly task sent home, this will be linked to our current topic.

Times Table Practice, either via TTRockstars or on a piece of paper brought into school.

## English – Writing, GPS or Spelling

(You must complete this activity)

Weekly task sent home, this will be linked to the SPAG skills we are covering in class.

OPTIONAL: Write a diary entry from the perspective of a character from the adventure story you wrote last term.

OPTIONAL: Write a short book report on the book you have chosen from the library.

## English – Reading

(You must complete this activity)

Reading and having your planner signed 3x weekly.

OPTIONAL: Visit a library and pick out a book that you are interested in.

OPTIONAL: Recommend a book to a friend.

## ART/DT

Research and present information on a 3D/Textiles artist of your choice

Create your own bookmark using a rigid or flexible material, make sure you've planned and evaluated it.

## French

Create your own clock with a list of instructions on how to tell the time in French

Learn the names of the items in your pencil case in French and show Mr Graham

## Science

Design a healthy lunchbox for a Year 3 who needs lots of energy to play. Include and label foods from different groups and explain why they are a healthy choice.

Choose three animals and investigate how they move. Present this information as a mini fact file.

## History/Geography

Make your own volcano from recycled materials, bring it in with a written explanation of how volcanoes form.

Design a model to demonstrate what causes an earthquake and bring it in to the class

## R.E

Write your own set of rules for a place that is important to you, how can they teach people to be more respectful?

Research one of the prophets and make your own fact file on them.

Write a prayer for our Christian Value of Forgiveness

- You must **complete all the core activities** above (Mathematics, English and Reading)
- Select a **minimum of two** topic activities to complete. You can choose which activities you find the most interesting.

- **Presentation must be your best!**
- **Email with photos or bring in to show class**

**Final hand-in date: 20/07/26**
